## Tuition Refund Plan

The Tuition Refund Plan (TRP) is an insurance plan that assists families with tuition obligations in case a student must withdraw or is dismissed. The TRP annual premium is due with each student's annual tuition deposit and is calculated as a percentage of tuition.

*Participating in TRP is required for families electing Payment Plans B, C, and D is highly recommended for families electing Payment Plan A (see reverse for Payment Plan details). Please refer to the TRP brochure, available at the School or on our website, for additional information.*

(please see reverse)

## Additional Fees

### Early-Bird CASA

Pending availability, students not enrolled in All-Inclusive CASA may enroll in Early-Bird CASA (as early as 7:30 a.m.) for an annual fee of \$1,350.

### Other Expenses Outside of Tuition

Other expenses outside of tuition may include field trips in all programs; snack week in Toddler; and school supplies and sports in Elementary and Junior High.

## Tuition Deposit and Payment Plans

### Tuition Deposit

A nonrefundable \$500 tuition deposit is required to ensure your child's place for the upcoming school year. This deposit will be applied directly toward your child's annual tuition.

### Payment Plans

Families are billed the full year's tuition in June (less the nonrefundable tuition deposit) and may elect one of four payment plans. All families are required to use Blackbaud Tuition Management to make their tuition payments.

- **Plan A – Full Payment:** Full payment due in June. If payment is not received in June, a \$175 finance charge and the applicable TRP insurance premium will automatically be charged, and the account will be converted to Plan C.
- **Plan B – Quarterly Payments:** Four quarterly installments due in June, September, December and March. There is a \$75 annual finance charge per family for this service. Plan B also requires participation in TRP

and payment of applicable annual insurance premiums for each child enrolled.

- **Plan C – 12 Monthly Payments:** Twelve (12) installments due monthly from June through May. There is a \$175 annual finance charge per family for this service. Plan C also requires participation in TRP and payment of applicable annual insurance premiums for each child enrolled.
- **Plan D – 11 Monthly Payments:** Eleven (11) installments due monthly from June through May, excluding March when reenrollment deposits and fees are due. There is a \$175 annual finance charge per family for this service. Plan D also requires participation in TRP and payment of applicable annual insurance premiums for each child enrolled.

For families who want to bundle annual tuition with other program fees — such as summer program fees and any applicable CASA fees — we also build custom payment schedules outside these published payment plans.

## Financial Assistance

### Our Financial Assistance Program

Greensboro Montessori School's financial assistance program is a need-based program, which makes financial assistance available to families who cannot otherwise afford our tuition.

***Financial assistance is reviewed and granted on an annual basis and is available to students enrolling in kindergarten through ninth grade.*** Additionally, Greensboro Montessori School bases awards on a family's ability to afford tuition only. Before- and after-school care expenses (All-Inclusive, Early-Bird, and After-School CASA fees), as well as other expenses outside tuition, are not included.

### Factors Considered in Awarding Financial Assistance

Many factors are considered in the financial assistance program, including family income and expenses; assets and indebtedness; family size; extenuating circumstances resulting in family hardship; number of children attending tuition-charging schools; and a history of tuition assistance received from extended family and other sources. Financial assistance may not be available to families in their first year at Greensboro Montessori School depending on how much financial assistance is needed to support returning families.
